#### **PASTOR'S MESSAGE**

Whatever a man sows, that he will also reap. —Galatians 6:7

Dear Faithful,

I once read a fable about a man who was browsing in a store when he made the shocking discovery that God was behind a sales counter. Imagine that..?

The man walked over and asked, "What are you selling?" God replied, "What does your heart desire?" The man said, "I want happiness, peace of mind, and freedom from fear . . . for me and the whole world." God smiled and said, "I don't sell fruit here. Only seeds."

In Galatians 6, St. Paul stressed the importance of sowing seeds of God-honoring behavior, for "whatever a man sows, that he will also reap" (v.7). We can't expect to experience the fruit of God's blessings if we don't recognize the importance of doing our part in planting and nurturing the seeds of love and success.

As you think to yourself, and offer your positive or even negative thoughts to others regarding your life or our parish, first, practice the pause, and ask yourself, "What good seeds (if any) have I planted to bring forth goodness, and do I offer my share in preventing weeds (idle thoughts) from choking the future harvest?"

We have much to be thankful for within our parish family and with prayer, good intentions and yes, thoughts put into deeds, our future can indeed be bright for many more.

May we all wisely use this year's period of Great Lent for further self examination to see where best we fit in; where best our talents lie within the life of the church so that our efforts, from God-given talents may produce Godpleasing fruits for all.

With prayers, Reverend Fr. Kapriel Mouradjian Pastor

#### MISSION OF THE ARMENIAN CHURCH

The mission of the Armenian Apostolic Church is to preach the Gospel of our Lord Jesus Christ and to proclaim its message of salvation. This mission is realized through Worship, Education, Witness, Service, and common life in Christ as expressed in the distinctive faith - experience of the Armenian people.

All members of the Armenian Church - both clergy and lay - are called to participate fully in this mission.

#### **Century Club**

Payments for the 2017 Century Club are now due. Participate in a fun way to raise money for our church. Please see Chuck Vartanian, Gary Hovhanessian or any PC member to participate and to pay your annual donation. We can double the fun, and double the success if each participant (that's you) can find one non-church participant...Thank you in advance. Chuck & Gary.

The role of a Pastor is not to grow a big church...

The Pastor's role is to grow mature disciples who make disciples....

Who'll join me...?

Fr. Kapriel

#### LATEST NEWS FROM SUNDAY SCHOOL

As we mentioned in the January *Looys* Article, February 26 will be here before we know it. On this Sunday, we will be sponsoring a Teacup Auction/ Pizza Luncheon on Poon Paregentan. This "Day Of Happy Living" precedes the start of Lent on Monday. The Parents' Committee is actively planning a fun-time for all present. Families of students are being asked to donate a gift for the auction table. Other parishioners may also donate.

Thanks to Vicky Galazan and Adrienne Damian, we have already received two interesting bags of gifts. Committee members - Sarah, Diane, Melanie and Paula - can be contacted for further information.

This year, the Diocesan Sunday School Lenten Drive will benefit an important effort, raising critical funds for The Syrian Armenian Refugees in Armenian (FAR).

Did you know that 20,000 Syrian Armenians have already found a safe haven in Armenia?

A poster now hangs on our church bulletin board detailing the distribution of the funds. Let us all be thankful for our blessings and pray for a better life for these refugees. The children are asked to bring in their offerings on Easter, April 16.

In the meantime, our senior class has been studying hard along with their A.C.Y.O.A. and school projects to prepare for their Graduation Day, May 21st. Keep up the great work!!

#### CHOIR RECEIVES DN. CHARLES MAZADOORIAN AWARD

The Armenian Church of the Holy Resurrection recognized the services of its church choir on Sunday January 15 by awarding the Deacon Charles Mazadoorian Memorial Altar Server Award to the entire choir. The award was established in 2007 to recognize excellence in preparation, attendance, initiative as well as knowledge of the Sacred Liturgy. Father Kapriel Mouradjian, pastor of the church, pointed out that while the award has traditionally been given to an individual, the entire choir was recognized this year because of its contributions for decades, throughout the entire liturgical cycle of the church.

In addressing a full congregation, he stated that "their unselfish offering of singing voices and organ accompaniment for so many years is a true testament to their collective dedication to our Lord, to the rich Armenian Church traditions and to our parish."

Attorney Harry N. Mazadoorian, making the presentation, highlighted the choir's unique role in carrying on the deep religious traditions and heritage of the Armenian Church and its unparalleled musical treasures.

In recognition of the award a contribution is being made to the Fund For Armenian Relief at the Church's Eastern Diocese in New York City in honor of the Choir and the award will be permanently memorialized on a plaque in the Church narthex. Adrienne Damian, director of the choir, accepted the award together with the entire choir and thanked the church for the recognition. (Special from the Mirror Spectator).

#### PRIMATE VISITS CHILDREN'S CENTER IN ARMENIA

Archbishop Khajag Barsamian, Diocesan Primate, visited Armenia last month and spent time with the young residents at the Fund for Armenian Relief's Children's Center in Yerevan.

Thanks to the generosity of donors from the Eastern Diocese, the Children's Center organized a festive Christmas luncheon for the more than 40 children currently residing at the facility. Children performed songs and skits and received a blessing from Archbishop Barsamian. The Primate also donated winter clothing to each child.

Thousands of children have been served by the FAR Children's Center since its inception in 1999. The center performs crisis intervention and short-term rehabilitation to children who are victims of abuse and abandonment, or face other life challenges. It is the only institution in Armenia where children can access shelter, medical care, psychological counseling, and legal assistance

#### IN THE CHURCH

When you are attending the church service, let your apparel be appropriate and modest. Abstain from adornments and flashy clothing which are not suitable in a church setting, where a spirit of concentration and meditation is required as a precondition to participate in a communal prayer.

As you enter the church, it is appropriate to cross yourself. It is also an age long Armenian tradition, just as it is customary in Eastern Orthodox and Catholic churches too, to light a

candle as a way of placing yourself in a contemplative mood.

The lighting of the candle is also a symbol of the sacrifice of the self and the radiance of Christian's love . Just as the candle burns and is consumed to spread light, so must every Christian man and woman live to radiate love, light and warmth.

It is a genuine Armenian custom of piety to light the candle in front of an anointed picture of a Saint, to pose for a moment, and breathe a prayer of self-dedication and to prepare oneself spiritually to participate in the church service.

Like everywhere else that we receive information from, we will increasingly be relying on e-mail to keep you informed as to the life of our church. This will allow us to keep you better informed and will provide you with better quality publications.

It doesn't hurt to remind everyone that our parish actively seeks suitable folks that would like to rent our hall for their function use. We currently host the New Britain Chess Club as well as numerous birthday parties, anniversaries and other medium-large functions.

Please keep your church hall in mind for any need including memorial meals, as it's very affordable and convenient for all.
